Dear Parents/Carers, Staff and Students,

It has been a privilege to be part of Long Mead Community Primary School for the last 12 years and Head for the last five. This week, as you are all aware, will be my last week in school before taking up a new role closer to my home and new little family.

Since starting at Long Mead, I have seen the school go from strength to strength and for that I must thank all of our parents/carers, the children and the fantastic, dedicated staff that we have here currently and have had throughout my time here. I look forward to hearing all about the progress the school makes in the future and hopefully will be invited back to some of the events!

The school is an incredibly nurturing and inclusive school, which I have been so lucky to be a part of. We have worked together through many changes, organised many events bringing the whole school and community together, had a successful Ofsted in my time as Head and worked our way through a pandemic together!

It is with great sadness that my time here has come to an end but I will always appreciate everyone's support and kindness.

I wish you, your family and the wider community all the very best for the future.

Yours sincerely,

Miss E Alexander
