

Welcome to Centaur class

Welcome to the last term!!
It's the last one but it's very,
very busy!! Let's make the last
push and do your best!!

History

This term, we will continue learning about Earthquakes and Volcanoes. It's a Geography based topic that tends to fascinate the children. Lots of non-fiction work and great vocabulary as well as videos of volcanoes erupting. Children will also learn the impact these events have on communities and how to keep safe during an event like that.

School production

Centaur, as the rest of the school, will be participating in the Year 6 production. There will be singing and dancing rehearsals until the D-day!!

Science

The topic this term is Animals including Humans. Focus will be on life cycles and survival needs.

English

In Literacy, this term we will be working with a playscript text called The Tempest by William Shakespeare. There will be opportunities for role-play the characters, creating dialogues and setting scenes.

Reading and Phonics

In KS2, children will have reading sessions/lessons on a daily basis, so they can learn the different readings skills to understand what they are reading. We call this, 'Comprehension'. However, reading at home is still a non-negotiable. To make good progress in reading, a child must read at least three times a week. We also read with children at school.

P.S.H.E

In PSHE, children will learn about Changing Me and RSE (Relationship and Sexual Education).

RE

Our topic this term is **How and why do people try to make the world a better place?**

PE

This term Centaur class will be athletics and swimming.

Computing

This term, in Purple Mash we will learn 'how to present ideas' for projects/presentations.

Art

This term children will work with some artists to learn of **Expressive painting**. There will be cooking as well.

Music

The Charanga unit for this term is Playing in an orchestra. Children will learn to find the beat in songs as well as working with rhythm. They will also learn to play Glockenspiels.

TERM 6

Earthquakes and Volcanoes

Maths

This is a busy term in Math. We will be learning about time, mass/weight and capacity plus 2-step problem solving. Plus, math testing will comprise of arithmetic and reasoning tests, for both year groups.

Spanish

This term, children will learn to name minibeasts/insects in Spanish.
