

# Year 1/2 Unicorn Class Home Learning Challenges

## Term 6

### Topic: Inventions and Inventors- Isambard Brunel

**How many of these challenges can you complete this term?**

Please feel free to email any pictures to: [LMead@long-mead.kent.sch.uk](mailto:LMead@long-mead.kent.sch.uk) or [BWhibley@long-mead.kent.sch.uk](mailto:BWhibley@long-mead.kent.sch.uk)

#### Maths

##### **Treasure Hunt at Home!**

Hide a small toy somewhere in the house.

Write a few clues using position and direction words like **under, next to, behind, in front of, left, right, above, below.**

Example: "The toy is under the table. Take two steps forward and look behind the cushion!"

#### Writing

##### **Summer Senses Poem**

Write a poem about summer using your senses.

What can you see, hear, smell, taste, and feel during the summer?

#### History

##### **Build Your Own Bridge or Train!**

Use junk modelling or construction toys (LEGO, blocks, recycling materials) to build a bridge or train inspired by Brunel or Stephenson.

Take a photo and write a sentence or two describing your model.

#### Research

Draw one of Stephenson's or Brunel's famous inventions (like a steam engine or the Clifton Suspension Bridge) and label the key parts.

#### Creative

This term we will be making jam tarts in class. Try making something else with pastry, such as cheese twists, mini apple pies, or vegetable pasties!

#### Science

##### **Habitat Hunt**

Go on a mini habitat hunt in your garden, local park, or even around your home. Can you spot where insects or small animals might live? Draw or write about what you found.

**Please continue to read every day with your child at home, we appreciate all your effort and support!**
