Maths

Place Value

Roll a dice three times to create a three-digit number. Challenge your child to see if they can partition this. (e.g., $652 = 600 + 50 + 2$).

Also, try this place value game:

[Place Value Basketball - Dienes Game for 5 to 8 Year Olds](#)

Writing

Write a diary entry as a Viking villager.

Create a diary entry as a viking villager. Include things that they do on a daily basis. You might want to write this as a female viking or a child viking.

History

Research the Vikings and create a poster with at least 6 key facts!

Research

Find out what the Vikings used for money. Write down 5 facts.

Creative

Build your own Viking long house.

Make a model of a viking long house.

Science

Native Leaves

Identify and describe any native leaves you find outside of school!

You could draw around them, brush over them with chalk or create a collage by sticking them on paper.

Please continue to read every day with your child at home, we appreciate all your effort and support!
