 Acting Head of School: Mrs K Follows

3 January 2024

Dear Parent / Carer,

We are excited that we have been able to book a Prepare Robo workshop for Phoenix, Griffin and Centaur classes on Tuesday 9 January. The workshop will give the children the opportunity to design and build a robot to perform different tasks.

The robotic workshops are designed to enrich the design technology, computing, maths and science curriculum. The experience allows the children to see themselves as engineers and develop team building, communication and problem solving skills, using the specialist equipment and knowledge provided by Prepare Robo.

The workshops are each 90minutes, and will take place during the school day.

This should be a valuable experience for the children, but also will be a lot of fun. As this is an external company we are asking for £3.75 per child to cover the cost of the workshop. This is a voluntary contribution, but unfortunately if we do not receive enough payments we may have to cancel the workshop. Please could payments be made via the School Gateway by Monday 8 January (sorry for the short notice). If you cannot use the School Gateway then please put the payment in a clearly labelled envelope. If you are having difficulties with the payment please speak to the office.

For any further enquiries, please contact the office.

Kind Regards

Mrs K Follows
 Acting Head of School

.....
Please return to the School Office by Monday 8 January 2024

This slip is for to take part in the Prepare Robo workshop on **Tuesday 9 January 2024.**

- I have paid £3.75 on the School Gateway
- I have given £3.75 to the School Office
