

<p><b>Maths</b> Research old British currency (pounds, shillings and pence). Remember there are 12 pennies in a shilling and 20 shillings in a pound. Write some Second World War maths money problems for your friends to try to solve. You will also need to produce an answer sheet that shows the methods you used to solve them.</p>	<p><b>Think and draw</b> Design a poster telling people how to stay safe in a blackout. Make it informative and colourful.</p>	<p><b>Research and draw</b> Research the poem called 'Flanders Field' by John McCrae. Create an image to represent this poem.</p>
<p><b>Design</b> Produce a fact file about WW2 planes. Find facts about British, American and German planes. You could focus on one plane, such as the Spitfire or include a number of different ones.</p>	<p><b>World War II</b> Choose 6 activities to complete this term.</p>	<p><b>Research and Bake</b> Research WW2 recipes. Choose your favourite and bring in a copy of the recipe along with a photo of your finished creation. You could bring in some of your baking to share too.</p>
<p><b>Write</b> Imagine you have heard the air-raid siren and are in the air-raid shelter. Write a diary entry explaining what you can hear/see/smell. What are you doing to keep yourself occupied? How are you feeling?</p>	<p><b>Every week you must also:</b></p> <ul style="list-style-type: none"> <li>• <b>Read your reading book.</b></li> <li>• <b>Practise your times tables – join in the TTRS battles.</b></li> <li>• <b>Practise your spellings</b></li> </ul> <p><b>Talk to your Mum, Dad or Carer about your homework.</b></p>	<p><b>Technology</b> Air raid siren Investigation - Does a cone-shape make sounds louder? Make cones from different materials and investigate. Record your results and present your findings in an interesting way (this could be a graph, poster, written explanation).</p>
<p><b>Research and Write</b> Investigate a key leader during WWII. Find out about their life and what they did during the war. Write a biography about them.</p>	<p><b>Computing</b> Design your own air raid shelter using Minecraft or any design programme of your choice. Think about where you would build the shelter and what you would need inside as you might be in there for some time!</p>	<p><b>Impress me!</b> Create a game that teaches children a few facts about WWII. You will need to research facts to include and create a board for the game or playing cards and counters. Write down the rules and instructions and then try out the game by playing at home. Gather feedback from the people you have played with and then write your own evaluation of the game.</p>
