

Choose at least 4 of the activities from the menu to complete this term. **The non-negotiables MUST be completed.**

Writing

Imagine you are in charge of the country and have the chance to write a set of laws. What would they be?

Remember to include the punishments for them too!

Getting out and about

Remus Lupin from the Harry Potter books has a problem: when he becomes a werewolf he likes to steal Chocolate Frogs from the pupils of Hogwarts. This happens every full moon night, but in the nights leading up to that, he also

likes to snaffle Sugar Hexes. After the full moon he prefers to pilfer Peppermint Toads. Observe the moon each night, draw a picture of what you see along with the date and a note which sweets Remus will be out hunting for.

Maths

Research and create a set of top trump cards about different crimes. You will need to include the crime, length of punishment, severity of punishment and pictures.

Remember to keep practising your times tables on Times Tables Rockstars and Hit the Button.

Art

Create a wanted poster for a villain in a book that you have read. Think carefully about the portrait drawing techniques you have learnt in class. What will the reward for finding the villain be?

Non-negotiables

- Daily **reading** of at least 10 minutes, recorded in reading diary
- Daily **times tables** practise
- Daily **spelling** practise using the list on the reverse.

Creative

Design a chair for a judge (sheriff) from the Anglo- Saxon, Tudor or Georgian times to sit on. You may like to use different materials to make a 3D model.

Problem solving

Criminals in Tudor times would often steal purses by cutting the straps. Can you design or make a

purse that prevents a thief from stealing it?
