Uniform

It has been lovely to see summer uniforms being worn this term.

Thank you to all parents and carers who send their children into school in the correct uniform.

If you are unsure of the uniform, please ask for a copy of the uniform policy.

Second hand uniform sale - We will be holding a second hand sale soon, please look out for some bargains!

Uniform for next year - Please could people pre-order uniform for next year, as it is a busy time, to ensure that the items required are in stock.

Message from the Governors

We feel the use of e-cigarettes on the school site is inappropriate in front of children and we would like to ask that you stop using e-cigarettes when dropping off and picking children up from school.

The school has asked on several occasions that parents park on the side of the road at the top of the drive and not to come down the school drive. Long Mead does not have the space to accommodate cars and for the safety of our children we would ask you again to remember this.

Could we also please ask if your child is riding their bike to school, that they do not ride it down the school drive. With parents and children coming into school there is not enough room for both. We do not want any accidents.
